# SCHOLARSHIP REVIEW

## How to Apply

Complete the UNI Online Scholarship Applications at [finaid.uni.edu](http://finaid.uni.edu)

Apply for Admission to UNI at [admissions.uni.edu](http://admissions.uni.edu)

Take digital photographs of your best work. Select works that show your strengths, but also show your skills in more than one medium.

**Current High School Students:** select 5-8 works.

**Transfer Students:** select 10-15 works.

Label each image with your last name and image number.

For example: Smith1.jpg

Make a list that includes the title, date, dimensions, and media for each image.

**Transfer Students:** Include a typed statement of approximately 500 words that describes your work in relation to historical and contemporary art and design. Also address how you see your work developing and what aspects (such as craft, invention, or impact) you wish to explore.

Contact Department Head Jeffery Byrd ([byrd@uni.edu](mailto:byrd@uni.edu)) for instructions on how to set up your online portfolio.

Finalists in High School will be invited to campus for interviews/workshops in February. Transfer finalists will be interviewed individually.

**DEADLINE: JANUARY 15th**
